Soccer

Soccer is a great sport that’s been around for a long time. 12

Soccer is played with a ball on a large field. There is a goal 26

with a net at each end of the field. There are two teams 39

with eleven players each. 43

During the game, each team tries to put the ball into the 55

other team’s net. Each time a team puts the ball into the 67

net, it scores one point. The team that has scored the most 79

points at the end of the match wins. 87

Players can kick the ball with their feet. They can also hit 99

the ball with their heads. They can’t touch the ball with 110

their arms or hands, though. Girls and boys everywhere 119

enjoy playing soccer! 122
